Settling Claims

How we deal with your claim

1. If **your** claim for loss or damage is covered under Section One, **we** will pay the full cost of repair, replacement or reinstatement as long as:
 - the **buildings** were in a good state of repair immediately prior to the loss or damage and
 - the sum insured is enough to pay the full cost of rebuilding the **buildings** in their present form and
 - the damage has been repaired or loss has been reinstated.

We will take an amount off for wear and tear from the cost of any replacement or repair if immediately before the loss or damage the **buildings** were not in good repair or the sum insured is not enough to pay for the full cost of rebuilding the **buildings** in their present form.

2. **We** will not pay the cost of replacing or repairing any undamaged parts of the **buildings** which form part of a pair, set, suite or part of a common design or function when the loss or damage is restricted to a clearly identifiable area or to a specific part.

Your sum insured

3. **We** will not reduce the sum insured under Section One after **we** have paid a claim as long as **you** agree to carry out **our** recommendations to prevent further loss or damage.
4. If **you** are under insured, which means the cost of rebuilding the **buildings** at the time of loss or damage is more than **your** sum insured for the **buildings**, then **we** will only pay a proportion of the claim. For example if **your** sum insured only covers one half of the cost of rebuilding the **buildings**, **we** will only pay one half of the cost of repair or replacement.
5. If **your home** is a flat, apartment or maisonette the sum insured under Section One - Buildings represents the value of that portion of the building owned by **you** (including external walls, roof and foundations and such common parts of the building for which **you** are legally responsible). In the event of a loss resulting from an insured cause to any part of the building not owned by **you**, but for which you are legally responsible, Section One - Buildings will only pay such proportion of the loss as the sum insured under Section One - Buildings bears to the total reinstatement value of the building. Furthermore this insurance does not include any additional costs that may arise as a consequence of any non-insurance or under-insurance that may affect the repair or reinstatement of any part of the property that is not your legal responsibility.

Limit of insurance

Unless otherwise stated **we** will not pay more than the sum insured for each of the **buildings** shown in the relevant section of the **schedule**.

Excluding - loss or damage arising from faulty design, specification, workmanship or materials
- loss or damage for which compensation has been provided or would have been but for the existence of this insurance under any contract or a guarantee or by law
- loss or damage caused by coastal erosion
*- loss or damage whilst the **buildings** are undergoing any structural repairs, alterations or extensions*

4. If **you** are under insured, which means the cost of replacing or repairing the **contents** at the time of the loss or damage is more than **your** sum insured for the **contents**, then **we** will only pay a proportion of the claim. For example if **your** sum insured only covers one half of the cost of replacing or repairing the **contents**, **we** will only pay one half of the cost of repair or replacement.
